Sir:

The citations enumerated on the list of references cited (modified Form PTO-1449) appended hereto may be material to the patentability of the above-identified application and are therefore submitted in compliance with the duty of disclosure defined in 37 CFR 1.56. The Examiner is requested to make these citations of official record in this application by initialing the citations on the enclosed modified Form PTO-1449.

The references were cited in a European Search Report issued in copending international application PCT/US99/20905. The European Search Report is relied upon as a statement of pertinency of the non-English references. A copy of the European Search Report is enclosed.

van Lengerich - Serial No. 09/233,443
Fourteenth Supplemental Information Disclosure Statement

This Information Disclosure Statement Under 37 CFR 1.56 is not to be construed:

1) as an admission that the information cited is, or is considered to be material to patentability as defined in 37 CFR 1.56(b), 2) as a representation that a search has been made, 3) that additional information that may be material to the patentability of this application does not exist, or 4) that any one or more of these citations constitute prior art under 35 USC 102.

Applicants certify that each item of information contained herein was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this information disclosure statement.

Please charge the \$180.00 for the information disclosure fee to Deposit Account No. 501032 (Docket No. BVL-105). If any additional fees are due upon filing of this document, please charge our Deposit Account No. 501032 (Docket No. BVL-105).

Respectfully submitted,
